Discounted broadband and mobile deals (known as ‘social tariffs’) are available to people on Universal Credit and other benefits*.

These deals are delivered in the same way as normal packages, just at a lower price.

Save up to £180 per year!

A large number of mobile and broadband providers now offer discounted social tariff products, with some offering deals from as low as £15 per month.

This could represent a saving of more than £180 per year, which is around 50% compared to the average cost of broadband.
